Welcome to Shaker Place Rehabilitation and Nursing Center!

We would like to schedule a Care Planning/Discharge Planning meeting so that we can coordinate your care during your stay here.

We would like to meet with you/your representative within seven to 14 days of admission to our facility. You will receive a letter in the mail from the Social Work office with the date and the time of the meeting.

During this meeting, you will meet the members of your Interdisciplinary Team. Representatives from Nursing, Rehabilitation, Nutrition, Recreation, and Social Services will be in attendance. We will develop/review your plan of care while in our facility, as well as your discharge plan, including but not limited to: barriers to discharge, durable medical equipment needed, home care services, medication teaching, caregiver training, and personal goals during your stay in our facility.

Please note that if you are unable to attend a meeting in person, we also offer a telephone conference. Please let your social worker know at the time of your call what the number to reach you will be.

We look forward to meeting with you soon!
