

## SHAKER PLACE REHABILITATION AND NURSING CENTER

### **Resident and Family Council**

#### **Resident Council**

Resident Council is Shaker Place's organization that serves the concerns of our residents. The Resident Council is formed by residents, run by residents, for our residents. Meetings are held on the first Tuesday of each month. Meeting times may vary. All residents are invited to attend Resident Council meetings. For further information about Resident Council, please see Deronda Daniels, Activities Director.

#### **Family Council**

Family Council is Shaker Place's organization that meets to share questions and concerns of family members. The council elects its leadership from amongst the family members who have expressed interest in serving in that capacity. Any resident family member is invited to attend Family Council meetings. Additional information regarding Family Council may be obtained through our Social Work department. Family Council meetings occur quarterly on a day and time determined by council members and Shaker Place Administration.

Join the Family Council today to the benefit of your loved one and all of Shaker Place's residents. For more information and / or to join, please contact Amie Bennett, Director of Social Work, at 518-213-8911.
