

Shaker Place Rehabilitation and Nursing Center

Contact Information

At Shaker Place, we are proud of the care and service we provide to our Residents. We also realize there may be times when you have a question or concern about our care or treatment or some other facet of Resident life. It is our goal to respond to everyone as quickly as possible with the information that best meets your needs.

To be able to assist you as efficiently as possible, please refer to the list below and contact the person or Facility discipline most closely associated with your need. This allows us to respond to your needs quickly and accurately. Thank you in advance for your cooperation.

All Facility personnel can be reached via the main phone number of (518) 213-8700.
